

Public Restrooms General Guidelines:

- Users should abide by social distancing standards for bathroom lines and follow any established visual guidelines for maintaining a 6 ft distance in all restroom facilities.
- In advance of the initial opening of public restrooms, the managing entity should adhere to the Centers for Disease Control and Prevention (CDC) guidelines pertaining to the cleaning and disinfection standards of operating procedures for interior spaces and that social distancing can be maintained.
- The managing entity should have the facilities cleaned at least once daily by staff and perform deep cleaning and disinfection services at least once per week and should follow the EEA COVID-19 Outdoor Recreation Facility Restroom Cleaning Best Practices.
- Composting (clivus or similar) toilets should be permanently closed and should be replaced with temporary (seasonal) portable restrooms with daily cleanings.
- Restroom facilities should contain hand washing and/or sanitizer stations, and the public should use these stations following the use of the facilities.
